LUIGI: May I ask you a question?
PEACH: Um...sure?

I have noticed that this wedding is forced. Do you need help getting out of this situation?

If we had Power Ups, we could do something to help you!

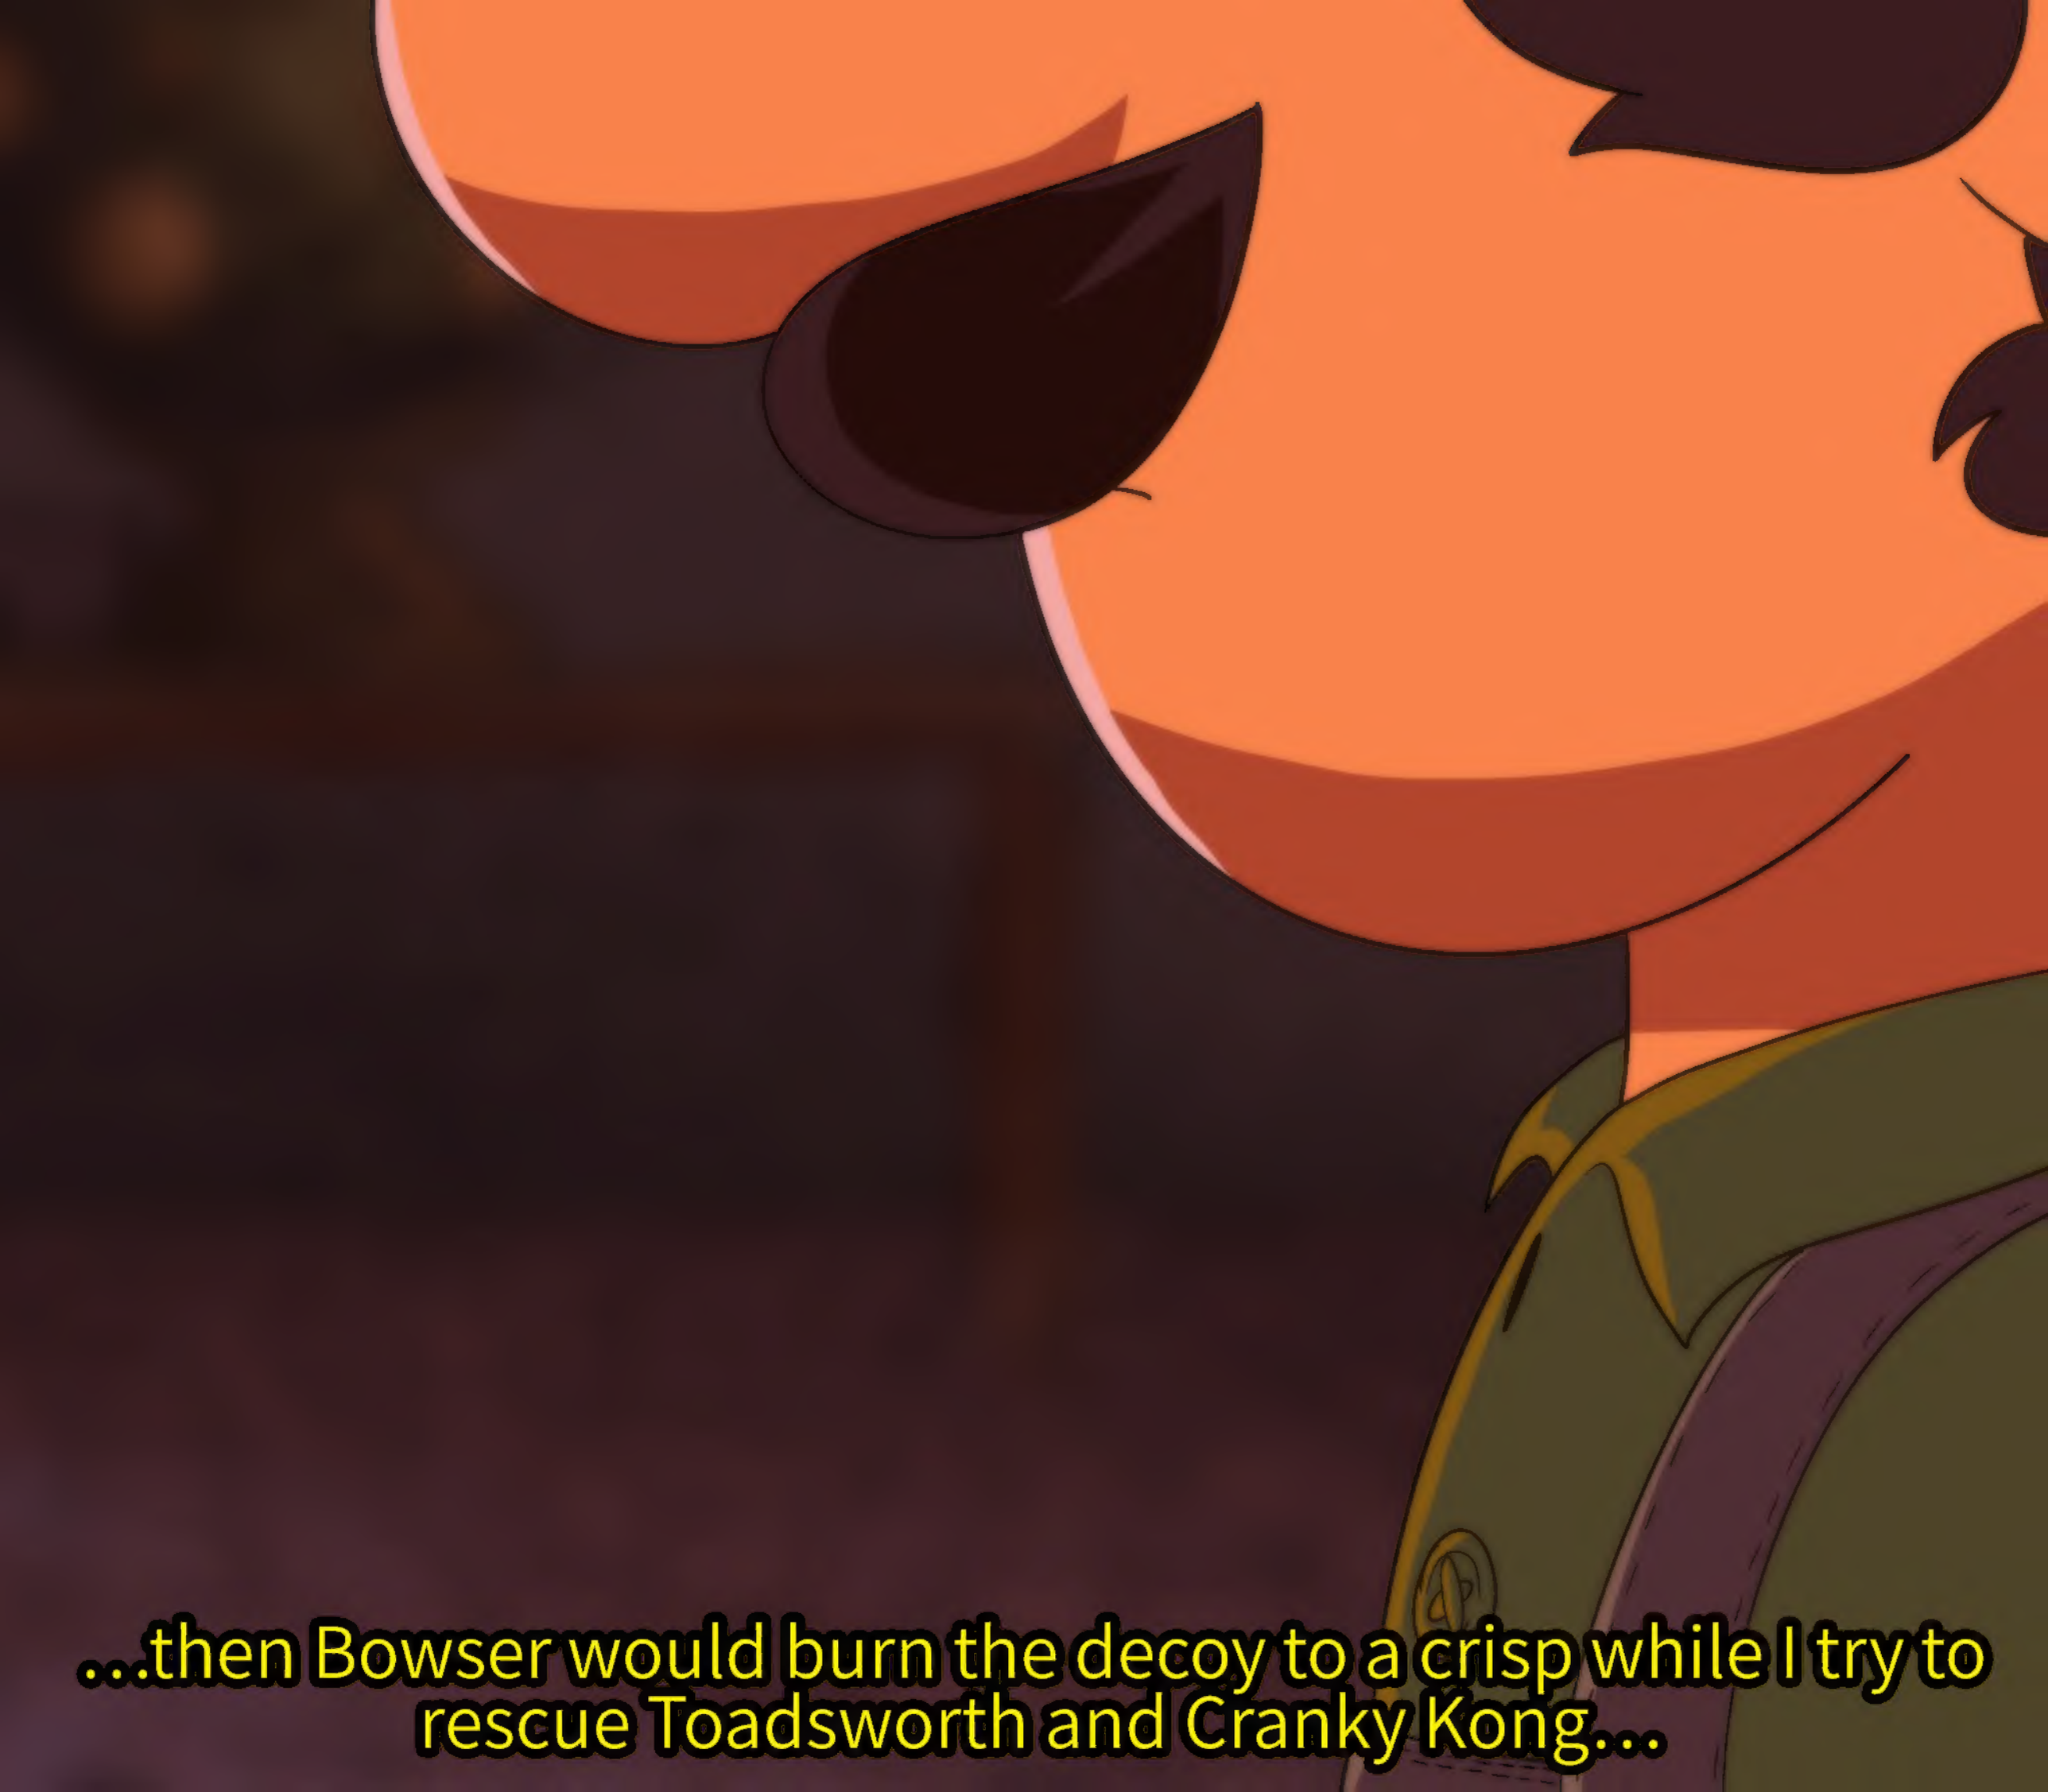
Little Luma! Would it be okay if you helped out on
that part?

Excuse me?

Huh?

PEACH: Toad!
TOAD: What? How ELSE are we going to get you out of here? The minute that scaly tyrant realizes you're gone, he might take it out on Toadsworth!

If only we had a Double Cherry...I could send out my decoy...



...then Bowser would burn the decoy to a crisp while I try to rescue Toadsworth and Cranky Kong...

I’ll be the decoy.

ABSOLUTELY NOT!

Listen, Peach and I are almost the same height. She can let me wear her dress while you escape and go for the rescue!

In the end, I will be okay. Okay?

Weegee! You're smiling! That's very reassuring coming from you!

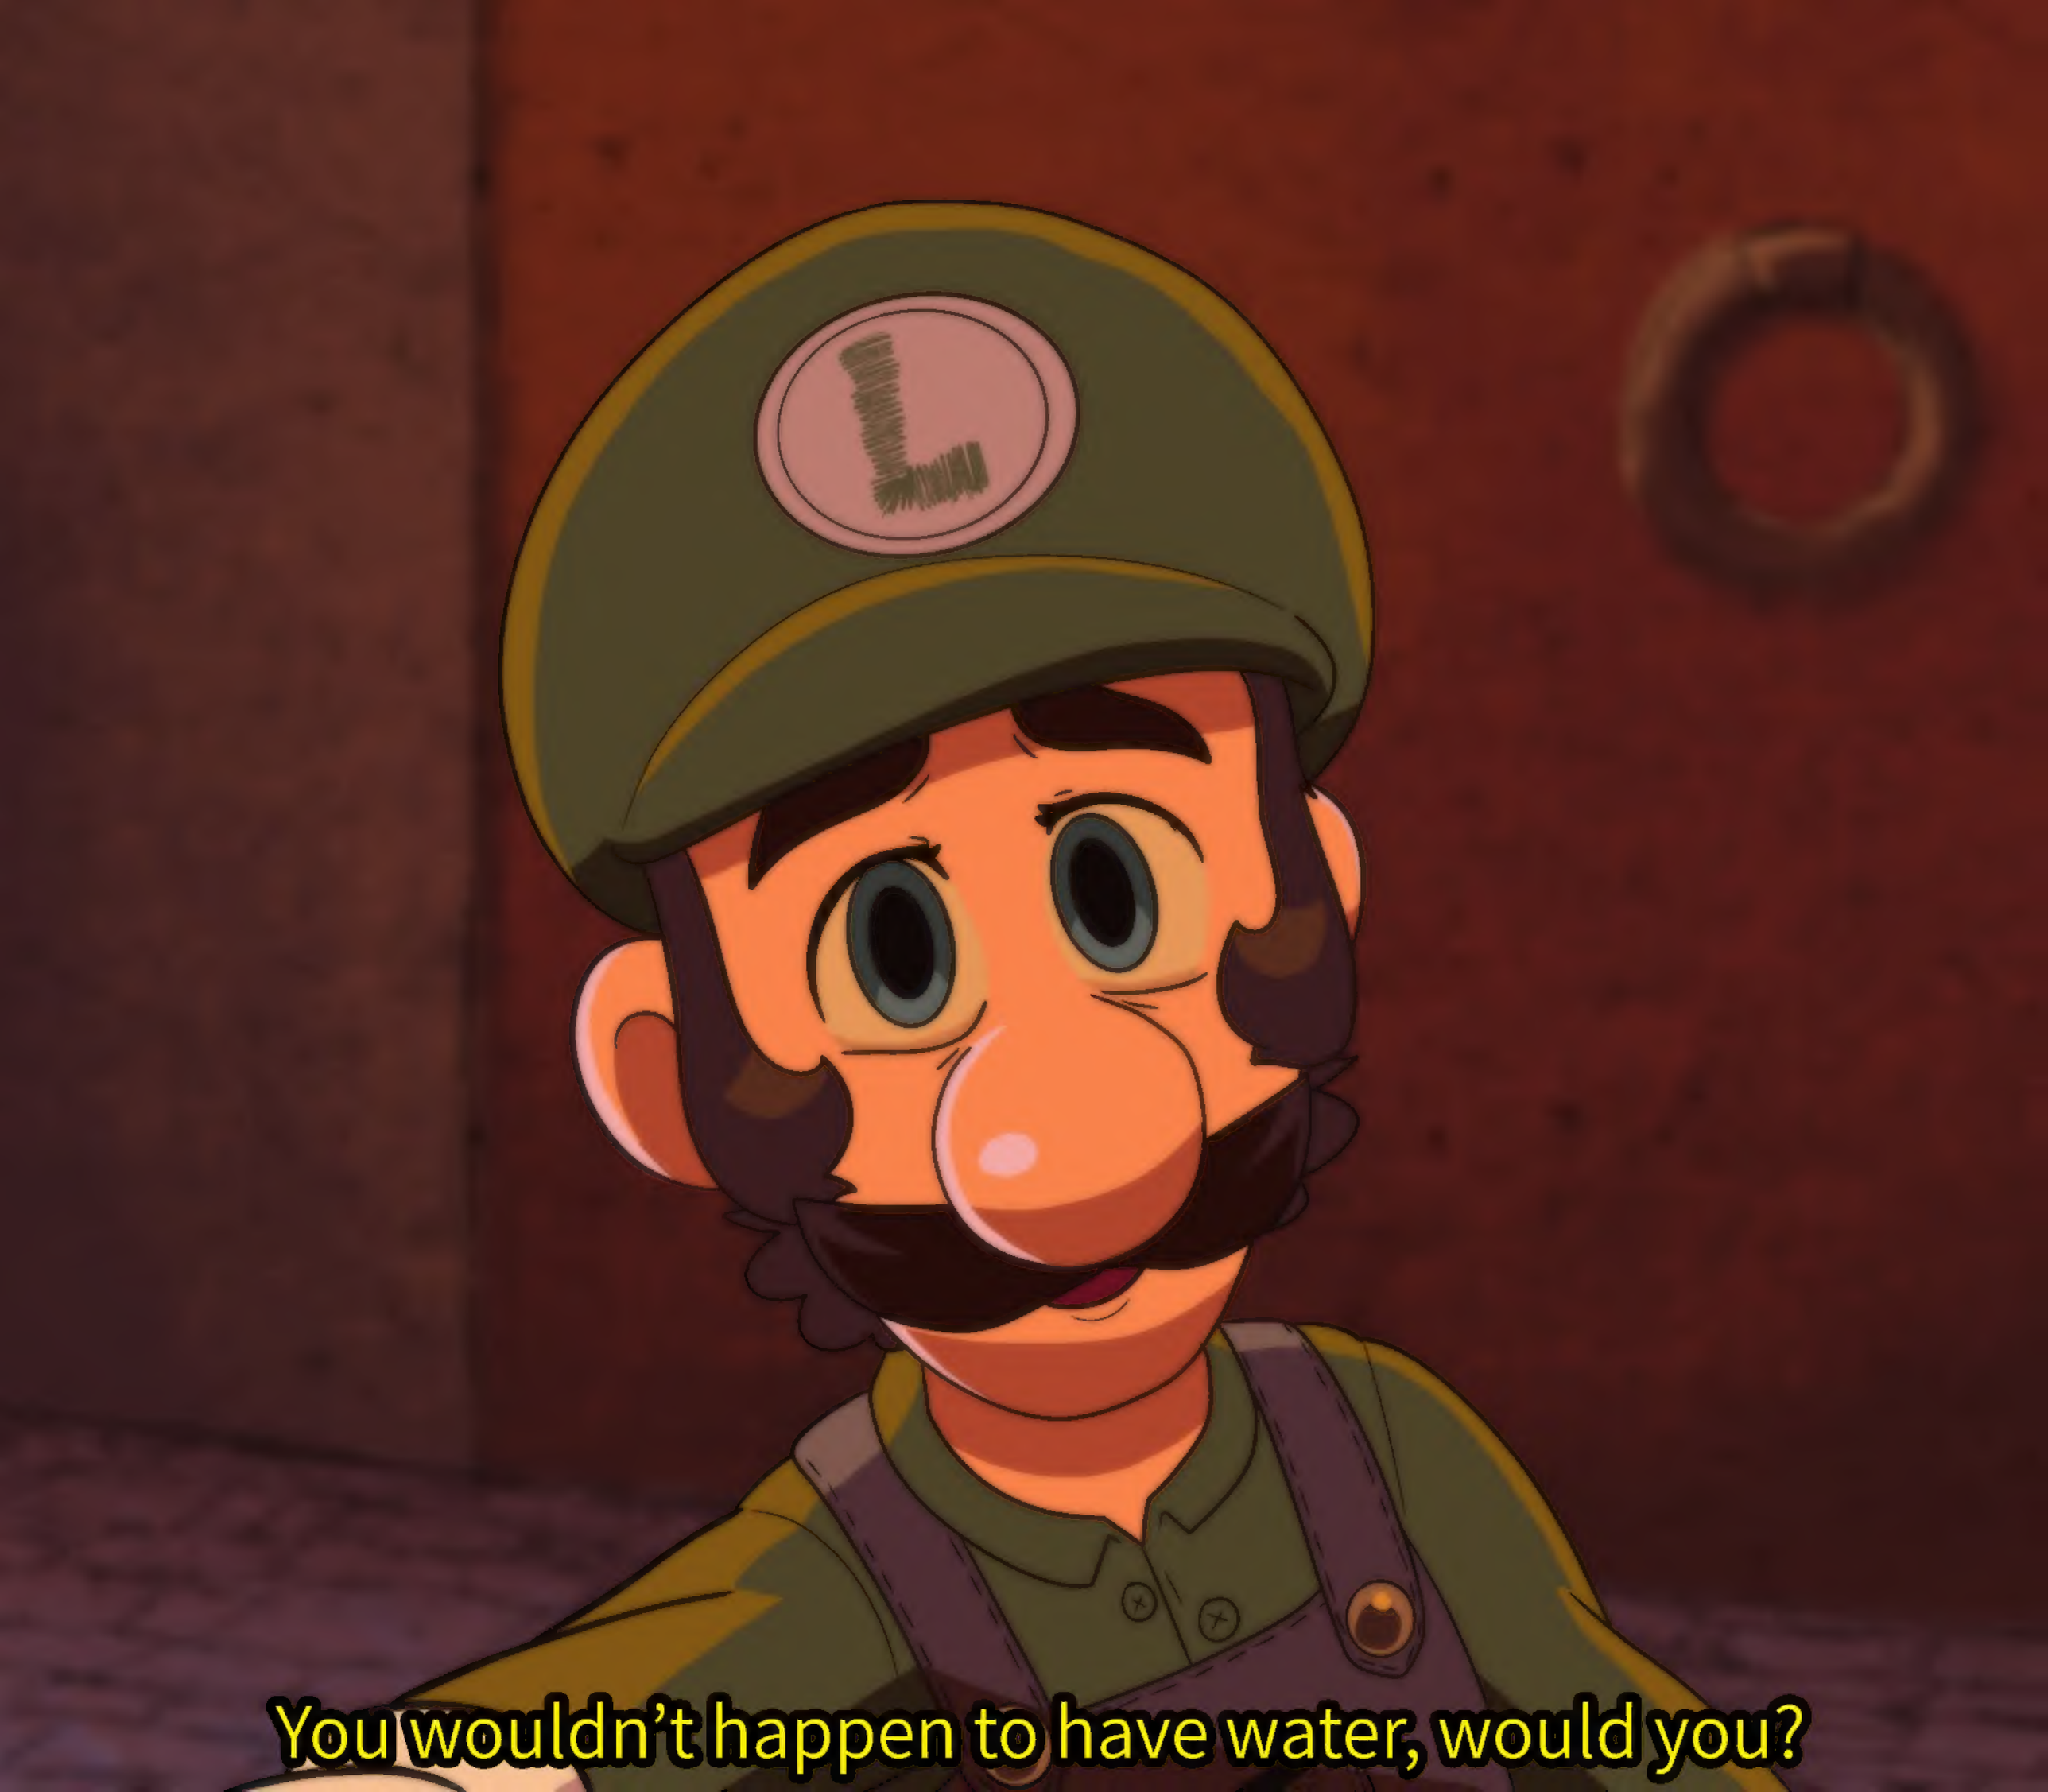
Okay, so they switch places. How are we getting out of this room when the guards come for him?

Use this to sneak out that vent under the table!

PEACH: Kamek even left a wig that looks like my hair earlier this morning. Bowser sure is a creep...

Princess?

Luigi?



You wouldn’t happen to have water, would you?
